

Ballot papers

for the strike ballot in the winter semester 2020 / 2021 für the abolition of a strike ballot

The voting procedure requires a YES or NO vote.

For a valid ballot paper, **exactly one option** must be selected. In other cases the ballot is invalid.

	YES	NO
voting text: Voting (with the exception of the vote on the nationwide semester ticket) from the winter semester 2017 / 2018 is cancelled.	<input type="radio"/>	<input type="radio"/>

Comments:

In the winter semester 2017 / 2018, strike ballots (vote by all students) were held with solidarity contributions for university sports, a bicycle self-help workshop (KonRad), childcare and advice for student parents. The established contributions are inflexible. For example, the student body is unable to respond to short-term or medium-term events (e.g. pandemics, requirements imposed by state or federal laws, etc.).*

By approving this change, these decisions can also be made by the student parliament in the future. This will allow debates on content and a differentiated design of the contributions.

It is also possible to determine future contributions by means of a ballot.

The semester fee which the student body collects is structured as follows:

- 1. tasks of the constituted student body (student bodies, AStA etc.)*
- 2. solidarity contributions for university sports, a bicycle self-help workshop (KonRad) and child care and counselling for student parents (EliStu)*
- 3. StadtRAD Lüneburg and Radspeicher,*
- 4. SemesterTicket Kultur (reduced price for theatre, museums, church etc.)*
- 5. SemesterTicket (rail transport, buses)*
